

Teacher Appreciation for the 1st Nine Weeks

October 19-23

Hope Valley Families,

Can you believe it? The first nine weeks of school are just about over. In the past, we have shown teacher appreciation in May. This year the PTA Board wanted to spread it out over the entire school year. Our teachers and staff have worked hard preparing and implementing academic successes for our students, so let's thank them for their dedication this quarter.

Here's the plan:

Have your child write/make a thank you note for his or her teachers. Attach a small treat to the thank you card. Some ideas for treats are candy, a piece of fruit, a magazine, or a \$5-\$10 gift card. Please deliver the cards and goodies to your child's teachers one day during the week of October 19-23.

Do not forget our special teachers. Each grade level has been assigned a special teacher.

Kindergarten-Mr. Newton

1st grade-Mrs. Schrader

2nd grade-Ms. O'Toole

3rd grade-Ms. Lewis

4th grade-Ms. Davis

5th grade-Mrs. Bowling

Thank you for taking the time to let our Hope Valley teachers and staff know how much they are appreciated!

Sincerely,

Hope Valley PTA Staff Appreciation Committee
